***SILVANA LA RANA***

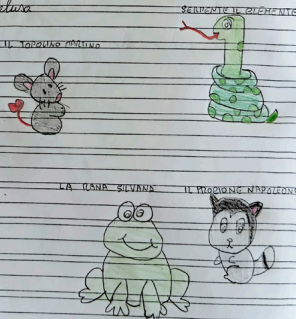

Disegna Silvana la zana e i suoi amici felici a scuola.  
 Come pensi si sentirà Silvana sentendo le ragazze la mamma e il papà?  
 Secondo me si sentirà male ed è molto triste.

# VOLONTA'

The image features two black silhouettes of birds in flight against a vibrant, multi-colored background with a bokeh effect. The bird on the left is a swallow-like bird with a long tail, flying towards the right. The bird on the right is a swallow with a deeply forked tail, flying towards the left. The background consists of horizontal bands of color (yellow, green, blue, purple, pink) with small white bokeh spots scattered throughout.
